Christmas wooden candles from our Dongguan factory.

J & M Timber Industrial Limited is a Hong Kong-based company that specialises in wooden candle and decorative items for Christmas lighting. Our product range features Christmas wooden candles and decorative lighting, particularly in Scandinavian style, as well as everyday decorative pieces.

With our own factory in Dongguan, we can ensure high quality and reduce risks during production. With over 20 years of experience in the timber industry, we have perfected our craftsmanship and design skills. This allows us to create unique products that meet customers' needs for both quality and style. Our factory holds amfori BSCI, ISO 9001:2015 and FSC® certification, and we are a Sedex member.

Our mission is to provide elegant, sustainable, and innovative decorative products that celebrate the spirit of Christmas. We offer OEM services and have our own ODM designs available.
