Crafted timber lighting for buyers who care about quality.

J & M Timber Industrial Limited is a Hong Kong company with its own factory in Dongguan, China. We specialise in OEM and ODM indoor wooden lighting — table lamps and decorative timber pieces designed for Scandinavian and Nordic markets.

From fluted columns and stacked organic discs to graphic-engraved cylinders, our table lamp programme focuses on natural materials, clean silhouettes, and finishes suited to European retail and contract lighting ranges.

Own Factory

Dongguan production with timber craftsmanship and finish control.

OEM / ODM

Custom colourways, shade options, and packaging for your brand.

Nordic Focus

Scandinavian / Nordic wooden table lamps for indoor use.

In this catalogue

Story collections: Graphic Cylinder (Canal House → Voyage Peak → Harbour Light), Colonnade & Spindle families (table + floor), Twin Season convertible, Emberglass, and sculptural forms (Cairn, Cantilever, Prism Peak, Meander…). Prices on request.

One silhouette. Three stories of place.

A clean timber column and drum shade become a canvas for place: European canal houses, Japanese wave-and-mountain iconography, and a coastal lighthouse. Same OEM/ODM platform — change only the engraved motif and finish for retail storytelling across markets.
